

The best system in Vancouver

The Grand Ballroom group class system for teaching International style ballroom dancing is widely considered the best in Canada. It has been often copied but never equalled. Students have full control on their rate of progress from one level to the next.

The greatest flexibility

All group classes are ongoing. This means students may join in any group class at any time as long as it is the first class of a particular dance. Furthermore, all students have a one-year period to take their classes without losing credit.

Top quality instruction

Andy and Wendy's group class program has met with unparalleled success. No other studio produces as many successful students as The Grand Ballroom. Since grand opening in 1994, over 13,000 students have gone through the Beginners classes!

The best value

- 2-For-1 website coupon offer for Beginners.
- Free social dancing and practice after Thursday and Friday night classes.
- 2 highly qualified instructors for every class.
- Repeat classes at half price for members.
- Semi-annual half price Bronze class specials
- Detailed class notes for every lesson
- Unmatched by any community centre classes

The most thorough curriculum

The Grand Ballroom group class system follows closely the Canadian Dancesport Federation (CDF) syllabus for International style ballroom dancing. It is a step-wise system going from Beginners to Bronze to Silver to Gold to Gold Star levels.

Drop-in classes available

We welcome all guests to come and watch a class or participate as a drop-in student. We love to see you check us out first.
